### Allocating members to a division of QCAT

Updated 24 October 2011

1. This Practice Direction relates to the Tribunal's divisions, and the allocation of members to a division(s) under Part 2 of the *Queensland Civil and Administrative Tribunal Rules 2009*.
2. The divisions created under Rule 5 are the human rights division, the administrative and disciplinary division, and the civil disputes division. The power to make this Practice Direction allocating members to a division arises under Rule 6.
3. Rule 6 carries an implicit recognition that some members, eg members who are legal practitioners, may wish to limit their appointment to one division, and not to others.
4. For the purposes of Rule 6 the members whose names appear in Schedule 1 are allocated to the division shown beside the members name.
5. Members seeking an allocation pursuant to this Practice Direction should make that request in writing to the President's Executive Assistant by email at [qcat.executive.assistant@justice.qld.gov.au](mailto:qcat.executive.assistant@justice.qld.gov.au).
