IT IS THE DECISION OF THE TRIBUNAL THAT:

1. The Applicant be authorised, by order of this Tribunal, to enter onto the Respondent's property to remove all of the approximately 20 trees within the stand of trees growing adjacent to the boundary line of the two properties, but in the close general vicinity of the Applicant's residence, but within the boundary of the Respondent's property, along the common boundary, to a point no more than 4 metres from the boundary line.
2. The Applicant is to bear the costs of those works, including the costs of taking away the removed trees and associated debris.
3. The Applicant shall perform those works within 60 days of the date of this order unless for some other reason further time is required, for example, because of the unavailability of contractors or delays associated with local council permits, if any.
4. The Applicant is to give not less than two (2) days' notice that such works are about to commence to the Respondent before any such works are performed.
5. The Respondent shall do all things reasonably necessary to facilitate the performance of those works and not do any act to hinder or obstruct the performance of those works.
6. The Applicant has leave to apply to the Tribunal to extend the time for the performance of the works and for the application for leave to be resolved on the papers.
7. I grant the parties liberty to apply in respect of any other consequential or other orders which might be required to be made.
